Arborist Division Procedures For Getting A
Posting or Final Inspection

After each preliminary approval to remove trees on any site, you must paint an orange **X** on each tree that will be destroyed on your site plans. Make sure the **X** will be facing the street to allow anyone that wants to appeal to do so. Make sure all tree protection fences have been properly placed around all trees to be saved.

After you have done what was required of you regarding the preliminary approval then you may contact the arborist division for your posting or final inspection at this number **(404) 330-6836 ext. 1** or email amvaughn@atlantaga.gov

Each arborist has **up to five (5) business days** to come out to post or to inspect your property or project, so please allow them that much time before calling in again do to the enormous amount of callers.

The arborist inspector for your area will come out and place a yellow posting sign at the front of the property. This sign remains for fifteen consecutive days. On the sixteenth day, bring the sign and a check for the recompense (if required) into our offices at 55 Trinity Ave, SW, Atlanta GA, 30303.

Arborist will not and cannot post unless you have followed and completed the posting instruction.

These are the following arborist for each quadrant:

Tom Coffin – SW/SE Quadrants
Stan Domengeaux – NW Quadrant
Kristin Loomis – NE Quadrant
Shawnery Jones- NW/NE Quadrant

If you have any other concerns you may contact the office at this number (404) 330-6836 ext. 1.

Thank you for your cooperation
